Hello Class 4,

Michael Morpurgo uses a range of exciting vocabulary throughout Kensuke's Kingdom. Today I would like you to scan through Chapter 4 of the novel and make a list of good vocabulary that the author has used. Can you choose up to ten words? Can you find out what these words mean and fill in the table below? I am looking forward to seeing which vocabulary you think is particularly interesting.

Challenge: We looked at adverbs yesterday. Can **some** of your words you choose from the novel be adverbs? If you are struggling to find them there are a few on P60.

Word Chosen	**Meaning**	**Page Number**
Protruding	Sticking out	P64
