Friday 26th February 2021

Hello Class 4,

Thank you for another week of fantastic English work! Today I challenge you to write the next chapter of the book based on your comic strip ideas. Can you transform your drawings into writing and include dialogue between the characters? The introduction slides will help you with how to punctuate your dialogue. Remember to write in the third person past tense.

Challenge:

Continue to include : ; ( ) in your writing if you can.
