

## Half term!

---

The half term has ended at last after weeks of hard work! Everyone is excited to have a break and we are all hoping the days will go by quickly. As always, coffee afternoon was a big success with our Hallowe'en themed style. There was a balloon seller with inexpensive but good balloons. There were also delicious cakes for sale!

**Hallowe'en warning to everyone: stay safe when trick or treating – do not knock on random people's doors and stay with your friends and family have fun but please be safe!**

When we get back we'll have Bonfire Night and Christmas to look forward to!  
Have a happy holiday and be safe.  
Blogger two out !
