

# Judo FUN!!!!!!!

---

On the 14<sup>th</sup> of October a judo expert is coming in to Byers Green school to teach judo to classes 2, 3 and 4, something that happens every year. Each year we all have lots and lots of fun.

Also Class 2 are going to Shildon Rail way Museum for half a day on Thursday - I am sure they will have fun! They are learning about trains for their history topic so they are going to see some of the old steam engines.

Class 4 have been writing a story based on a special animal called a golden monkey – we might even display them for everyone to read and enjoy! Class 3 have been making pop - up books. Class 1 have been making paper plates and drawing their faces on them and drawing and making funny bones pictures.

That's all for this week - bye for now!
