

Unit Title: Why is Jesus special to Christians?

Lesson 2: **Why did Jesus care for others?**

Recap from last week:

Last lesson we looked at the story of Jesus' life.

Importantly Jesus had 12 special friends (disciples) to help him with his work and to carry this on after Jesus died.

Jesus had a special relationship with God.

Christians believe that Jesus showed his love for God by caring for other people - especially those who other people didn't like or care about.
