

Friday

Maths:

[Blue group](#)

Continue to multiply 2 digits by 1 digit.

I have put a dice into your pack this week and I would like you to roll a 2 digit number and then roll the dice again, this number you will use to multiply by.

I have also put some squared paper in your pack for you to write down your calculations - please do 10 of these.

Please remember to continue chanting your times tables and using Times Table Rock Stars and playing Hit the Button
