

BARRATT
HOMES
built around you

29.1.21

Find the area and perimeter of rooms in a new build flat.

Task: You are an architect working for Barratt the house builder. You are designing 1 bedroom flats, which will be built in Byers Green soon. You must work out the area and perimeter of each room before you pass the plans to Durham County Council for permission to build.

Challenge: Find the area and perimeter of the Living Room.
