

Friday 29<sup>th</sup> January 2021

Good morning Class 4!

You have all worked so hard this week and once again I am very proud of all of you!

Your last task this week is to draw the island that Michael wakes up on in the space below. Then write in paragraphs to describe the island. You can use the vocabulary ideas sheet that is in your pack and you can also refer to Chapter 4 for vocabulary Michael Morpurgo has used as part of your descriptions.

I look forward to seeing your islands and reading your descriptions!

A large empty rectangular box with a black border, intended for students to draw an island and write a description.
