

Geography (21st January 2021)

Hi Class 4,

We are up to page 40 in our novel (Kensuke's Kingdom) and we have found out that Michael has visited several places.

He has visited:

La Coruna

Azores

Canaries

Cape Verde Islands

Recife

Rio de Janeiro

St Helena

Cape Town (Africa)

Australia (Perth)

Task: Using the map of the world, can you locate these places on the map and colour the areas he has visited?
