

Monday

Maths:

Green group

Make equal groups – sharing

Watch the teaching video - White Rose Maths > Make equal groups – sharing

<https://whiterosemaths.com/homelearning/year-2/spring-week-3-number-multiplication-and-division/>

Now complete activity 1 worksheet (in pack) – Make equal groups

Once you have finished can you find something to share out in your house, for example - peas, rice, pasta, buttons. I would like you to count out 30 of the object you choose and then share them into equal groups of 2, 3, 5 and 10.

Can you photograph your groups.

Please remember to continue chanting your times tables and using Times Table Rock Stars and playing Hit the Button
