

**Monday**

**English - spellings:**

**Green group**

Before you start today's lesson please test last week's spellings.

Don't forget to send me your score 😊

**Please look at your new spellings for this week, I would like you to write a silly sentence for each of your new spellings.**

Complete the word search, handwriting activity and activity mat worksheets in your pack.

Please access Lexia Core 5 and use your log in details to work on your current level.

<https://www.lexiacore5.com/>

Please read one of the books in your pack to an adult or older sibling – maybe you could share it with a relative during a FaceTime call.
