

1. Cut around the outside rectangle.
2. Cut along the 3 thick lines up to the dotted line.
3. Fold flap 1 towards you along the dotted line.
4. Fold flap 2 away from you along the dotted line.
5. Fold along the remaining 2 dotted lines and glue the two sides flaps to the centre so there is one central column.
6. If you are using paper clips, attach one to the bottom of the centre column.
7. You are now ready to test your spinner!
