Hello Class 4,

Michael Morpurgo uses a range of exciting vocabulary throughout Kensuke's Kingdom. Today I would like you to scan through Chapter 4 of the novel and make a list of good vocabulary that the author has used. Can you choose five words? Can you find out what these words mean and fill in the table below? I am looking forward to seeing which vocabulary you think is particularly interesting.

Word Chosen	<u>Meaning</u>	<u>Page Number</u>
Howled	To cry out loudly	P60
