

Task for Thursday and Friday (21st & 22nd)

Hello Class 4,

As this task is an extended piece of writing, I think it is best to give you both Thursday and Friday to complete it. Extended pieces of writing are usually up to two pages of writing in school. However, please just write as much as you can at home based on the ideas you have.

Task

1. First please look at the 'Diary Entry Introduction' pdf saved on the school website to give more information about diary entries.
2. Imagine you are Michael travelling to the different places mentioned in the novel. Can you write a diary entry (in the 1st person) to describe your journey and experiences to the different places you have visited? Use evidence from the text to support the diary entry and facts and information gained from research to help to make it believable as if you were there. (You can use the website provided for the geography lesson this week to describe La Coruna for example).

Example:

Dear Dairy,

Today we visited La Coruna. There was so much to see...

Challenge

In your grammar lesson yesterday, you have learned about [apostrophes for possession \(Michael's dog\)](#) and [apostrophes where words are contracted \(should not = shouldn't\)](#). I will look to see if you can apply these correctly in your diary entries.
