Predictions about the Class Novel

Red group

Please complete activity 1 to recap yesterday's work – Apostrophe Practice

Now I would like you to look at the front cover of our new class novel and answer the questions from the sheet in your work book (remember to answer in full sentences).

I am really looking forward to sharing this novel with you all! 😊

Predictions about the class novel

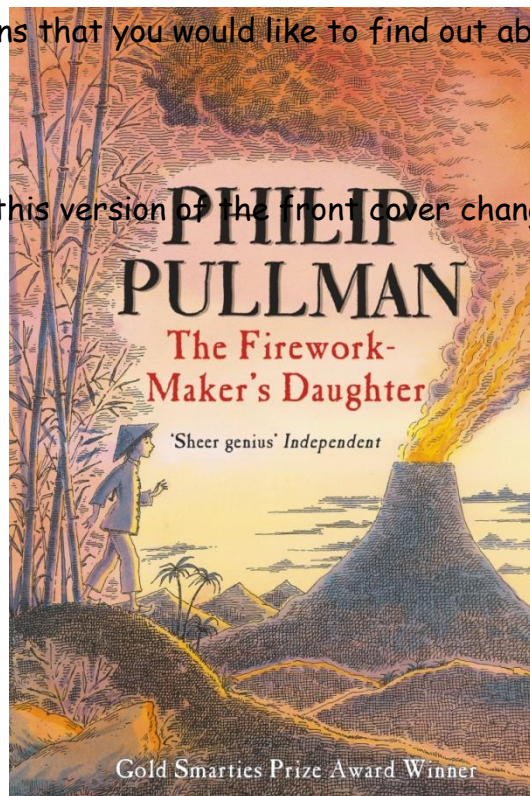

We are going to start our class novel for this term -

The Firework Maker's Daughter.

I would like you to make predictions about the novel by looking at the front cover. Please answer the 9 questions in your work book (sorry there is a mistake on your worksheet as question 7 is numbered as 6- correct version below).

1. Look carefully at the book cover, what do you think this book is going to be about?
2. What type of story do you expect it to be (genre: crime, fantasy, sci - fi, adventure, horror)? Why do you think this?
3. Who do you think the main character is going to be?
4. Where do you think the story is set?
5. What do you think will happen?
6. Now write two questions that you would like to find out about the story.

7. Now turn over - Does this version of the front cover change your mind about the book?
If so, why?

8. Who do you think these characters are?

9. Write down two similarities of the covers and two differences.
