

Science

Everyday Materials

Naming Materials

twinkl

Aim

- I can identify and name different materials.

Success Criteria

- I can recognise different materials and identify them by a picture.
- I can match a material to its name.

Exploring Materials

- This unit will build upon the last time we explored materials.
- We will recap some previous ideas and then explore different ideas too.
- Can you remember what a material is?

Exploring Materials

- **A material is what something is made from!**
- How many materials can you name?
- Have a think then click on the following slides to see you if you included any of them.
