Blue group

In Finland on the 14th February they celebrate friendship. I thought this was such a lovely tradition and because we are such a caring class full of wonderful friendships, I thought we could explore what makes a good friend.

[You've Got a Friend In Me \(from Toy Story\)](#)

For today's lesson, I would like you to read the information slides about what makes a good friend and what you need to use when writing instructions.

Once you have finished, I would like you to write your ingredients (what you would put into a good friend) around the image of a mixing bowl.

Next write the ingredients and method (instructions) on to your worksheet and draw a picture of you and your friends.
