

Dear Father,

I have done my a- - - - - . Thank you for all you have
t- - - - me.

I am t- - - - - and I do not need you for everything. I can do
things myself. I have w- - - - - hard for you.

I am as g- - - - as any man, and I can p- - - - it . I do not need to
get m- - - - - and have someone b- - - - - me around, I want
to be i- - - - - .

It is not fair to have s- - - - - , and I feel that you have b- - - - -
- - - me. I need for f- - - - out for myself.

I am going to see the Royal Sulphur from Razvani, the F- - - - -
- - and I shall probably not see you a- - - - - .

Your ex-daughter.
