

**Monday**

**Maths:**

**Red group**

**Money**

Complete the 10-minute warm up activity in your pack.

Today I would like you to complete the challenges I have set on Classroom Secret Kids using your login details.

[Log In < Classroom Secrets Kids — WordPress](#)

All of the problems are about adding money and some of them will take longer than others, you might need a piece of paper and pencil for your working out. Remember to read the questions carefully and take your time to answer them. I will check your answers later today. Good Luck!
