

**Thursday**

**Non – chronological reports**

**Blue group**

**1.**

As a warm – up activity complete the colouring in task for past and present verbs.

**2.**

I would like you to write your non – chronological report (fact file) on volcanoes today. I have included a check list for what to include in your report that you can use to support your writing. Please use your plan from yesterday to complete your report.

Remember to include a diagram and image.

You can use the template I have provided or create your own layout on the A3 paper.
