Letter to father

Green group

Read pages 15-17 of 'The Firework Maker's Daughter'.

I would like you to focus on the letter that Lila sends to her father:

Dear Father,

I have completed my apprenticeship. Thank you for all you have taught me. I am going to seek the Royal Sulphur from Razvani, the Firefriend and I shall probably not see you again.

Your ex-daughter,

Lila

I would like you to think about the following questions and discuss them if you can:

What is Lila thinking when she writes the letter to her father?

How does her father feel when he reads it?

If Lila wrote a longer letter to her father, she would explain things more.

Your task for today is to write another letter to Lila's father. I would like you to write the letter in your pack into your book but you need to put the words in the correct place in the letter.
