

Thursday

[Blue Group](#)

I would like you to focus more today on equivalent ratios. You can use finger paints or coloured pencils to complete the task. Your challenge is to write equivalent ratios for each one.

Paint this table red and yellow to the ratio 1:2

Paint this table red and yellow to the ratio 1:3

Paint this table red and yellow to the ratio 2:4

Paint this table red and yellow to the ratio 3:4

Paint this table red and yellow to the ratio 4:5
