Dear Parent/Guardian,

The flu vaccine will be offered to all primary school children from reception to year 6, and up to year 11 in children attending a special education needs provision, this year. Nasal flu vaccination is delivered in school. There are some occasions where an injection is the most appropriate route for vaccination for some children. The consent form that the link below takes you to is for Nasal Flu, if you select NO, you will be asked a series of questions to establish if your child is eligible for an injection.

Please complete the link below to give consent. If you do not want your child to receive the vaccine then you can select the 'NO' option on the consent form.

<https://www.hdfteis.co.uk/Forms/Flu>

After you have finished, if you change your mind or need to tell us about changes to your child's medical history, do not complete another consent form. Please visit www.hdfteis.co.uk/Contact to contact the immunisation team and tell us about any changes.

For further information about the flu vaccine please access [Flu vaccination in schools - GOV.UK \(www.gov.uk\)](#)
