Book Club

Welcome back, I hope you had a lovely half term holiday.

Thank you for sharing the photos for the children's Monday News session, they have really enjoyed talking about the different things they have done. We are going to begin to use this to help us write a sentence for our weekly news so it would be lovely if you could continue sharing photos on Tapestry for this term as well.

In our phonics sessions this term, we will continue to focus on the digraphs e.g. ee, igh ai etc. We are also looking at both tricky and high frequency words, I will start to add the words to the children's sound boxes so they can practise reading them at home. We are looking forward to World Book Day and can't wait to make our scarecrow!

Thank you for reading our newsletter. If you have any concerns or questions please get in touch. Miss Morgan

The children's reading folders need to be returned every **Wednesday** so they can be changed ready for the weekend.

Your child's reading folder should contain their reading book, yellow reading record, pink sound book, sound box and their library book.

Thank you!

English

We are continuing to practise our letter sounds and we are working through the digraphs e.g. ee, ai, igh etc.

We are beginning to write simple sentences and will practise thinking of a sentence, saying it out loud then writing it down.

We will be continuing to practise our handwriting to ensure we are forming our letters correctly and neatly.

PSED

Scarf: Rights and Responsibilities

We will find out how we can care for our home, school and special people.

We will look at the different ways in which we can help take care of the environment, e.g. recycling.

Superheros

Physical

During our PE lessons, we will use the apparatus to explore moving in different ways including rolling, balancing and jumping.

During our football lessons, we will develop our ball skills including kicking, passing and aiming the ball to hit a target.

Understanding the world

We will talk about how we have changed since we were babies. We will find out about the different ways we can keep healthy.

We will look at people who help us and find out more about the jobs they do.

Alongside this topic, we will also be looking for signs of Spring including some of the changes that happen during this season.

Maths

Our focus this term will be on using and applying skills including adding and taking away numbers. We will be exploring numbers up to 10 and beyond. We will count forwards and backwards to 10 starting at different numbers. We will begin to remember number facts for numbers up to 10.

Creative

Make superhero costumes: masks, capes etc.

Draw or paint ourselves as superheroes. Investigate colour mixing and explain how to make the colours we need for our paintings.
