

Dear Parents,

Welcome to summer 2!

The Year 4 children have worked really hard practising their times tables and they completed their statutory assessment this week. I am very proud of all of them!

Just a reminder that spellings will be given out every Friday to practise at home and the quiz will be set on Purple Mash together with a maths activity. Reading books will be swapped every Friday.

Maths

We will cover the following objectives in maths:

Measures including the relationship between cm, mm, m, km, g and kg

Capacity - the relationship between ml and L

Area

Perimeter

Volume

Interpret and present data in bar charts

Pictograms

English

The children will focus on various aspects of English which will be linked to our novel *The Last Bear*.

- Setting description
- Diary entry
- Recount
- Persuasive writing

Computing

The children will cover the topic 'Hardware Investigators' where they will understand the parts of computers and their roles.

Science

The children will learn about light and shadows. They will recognise that shadows are formed when light is blocked by a solid object and that light reflects off different surfaces.

Geography

The children will learn about the water cycle and rivers.

Music

The children's topic this half term is 'How does music connect us with the environment?'

P.E.

Swimming will continue every Friday. Girls will require a full costume and boys will need swimming trunks. Please ensure your child brings a towel, goggles and a swimming hat.

Children will also need to come into school wearing their PE kit on a Friday as they will take part in football lessons with a PE coach.

R.E.

The children will study Hinduism and they will discover what Hindus worship.

Spanish

The children will learn vocabulary linked to holidays.

DT

Class 3 have completed their designs for their bridges last half term. Over the coming weeks, the children will be building their bridges using a range of materials.

ART

The children will be introduced to 2-point perspective and they will sketch bridges linked to their DT topic.

PSHE

Growing and changing is our summer 2 topic. The children will take part in circle time.

Kind regards,
Mrs Mowbray
