

Homework Autumn Term

During Autumn Term the children's homework will be focused on learning to recognise and write the letter sounds and completing a reading activity.

As their reading progresses, they will begin to bring home a reading book.

Over the next few weeks as part of the children's settling in activities, I will share some 'all about me' tasks for the children to complete at home. They will focus on the children sharing their favourite things, the people in their family, things they like to do etc. The children always enjoy sharing their news and the things that are special to them so I am looking forward to finding out more about my new class.
